

THE SPIRIT OF GIVING

When a parent or caregiver has died, how does a child find the means to purchase and wrap a gift for their primary caregiver? Shopping for their caregiver is a rewarding and emotionally satisfying part of the holiday season, and can bring joy to both the gift giver and receiver.

Children and teens who have experienced the death of a caregiver are invited to attend this special event created just for them.

Families will enjoy dinner and create a holiday project together.

School-age kids will then have time to select and wrap a gift for their caregiver, and participate in a craft activity.

Daycare will be provided for children under the age of 5.

While the kids are shopping and crafting, free massages for caregivers will be offered, along with tips and helpful information about how to care for oneself while navigating the stresses of the holiday season.

There is **no cost** to attend The Spirit of Giving thanks to the generosity of Southwood Lutheran Church. But, in order to ensure an adequate amount of gifts, crafts, and food, families must register at mourninghope.org by December 3.
