

# International Survivors of Suicide Loss Day

Adults and  
children ages  
kindergarten  
and up are  
welcome

## Saturday, November 23

Each year, AFSP supports hundreds of large and small Survivor Day events around the world, in which suicide loss survivors come together to find connection, understanding and hope through their shared experience. While each event is unique and offers various programming, all feature an AFSP-produced documentary that offers a message of growth, resilience and connection.
