

"Camp Erin helped me not only remember those I've lost, but also how and why I need to remember them. I also really enjoyed everyone's presence and support to each other. It was amazing."

— Camper, Age 17

"It helped me feel safe being with people that know what I'm going through. It helps kids like me express our feelings."

— Camper, Age 9

"It helped me to remember my dad in not such a sad way. It helped me knowing how many other kids are going through something similar."

— Camper, Age 13

"It helped me with sharing my feelings and stories and facing my fears, like the obstacle course. It was so high but I knew I could do it. And I did the whole thing, and I wanted to do it again!"

— Camper, Age 10
